Subject: Comments for Coal Hollow Project C/025/0005.

This coal project will bring much needed job opportunities to Kane county and will also bring revenue to Garfield and Iron counties. The economic benefits for all communities involved will be very important to all businesses involved. This project has already given the company where I'm employed work, and has requested more in the future. I am very grateful for the opportunity to be associated with the project.

Thanks,

Joe Kumpe Sr.
